**Item 5:** Approval of Minutes

Ana motioned, they were seconded, and the minutes were approved

**Item 6:** In-person am/pm sessions

Teresa Alvarado talked about drop off going well but pick-up has been difficult when siblings are getting out at different times. Kathy Thomas explained the situation with dismissal and HES is looking at making adjustments to make this smoother.

**Item 7: Title I/funding update**

Mrs. Thomas recapped about funding with Jeremy Powell's presentation last meeting. Title I money: teachers requested a Wolf mascot (costume), and PBIS incentives for the younger grades. Maggie Sawyer explained the "Wolf" bucks that students would receive, gift card, blue tooth speaker, and headset. PBIS incentives are funded by PTO as Title I money would not be able to be used for these kinds of prizes. However, Title 1 could be used to support the Brag Tags (as they are certificate/awards for behavior—not a drawing) and these could be used for Tk-5. The Blue Wolf Mascot costs around \$300-\$500 and could be used with Title 1 funding. A paraprofessional could be the "mascot." There are rubber bracelets that also can be used to reward students for behaviors (69 cents). Ana Lozano (parent) suggested looking into getting incentives also in Spanish.

**Item 8:** Title 1/funding for HES support

Kathy Thomas discussed how funding can be used for resources for HES to support teachers and students as do many other schools. For example, crosswalk guides, coordinators, etc. With Title 1 funds used, we can ensure that HES has resources that are needed to support our needs. Jenny Firth asked what would need to be done to propose this use of funding. This will be further discussed at our next meeting.

**Item 9:** SARC (School Accountability Report Card)

This is a document that is presented to the SSC and to the Board. It is a document that has data from our school and is public. Jenny Firth asked if this report was typically written by the principal or the superintendent or both. Kathy explained that the principal is usually the one who writes up the report. This will be an action item this evening. The SPSA (school plan for student achievement) will be coming for SSC review next month.

**Action Items:**

**Item 10: SAFETY PLAN**

No changes have been made to this plan from last year, except for the tip line which is now in place. We will continue to advertise for the tip line use. The Safety Plan is posted on the website for parents/staff. It was added that a school-based counselor does come to the school 2 times a week.
